

## How do I submit an event?

- If you go to Dates-That-Clash and click Submit Event then fill in the form.
- Submit the event via clicking 'Submit Event' button.
- The event is then sent to 'review', the system will review your submission and either allow or disallow your submission.
- Please be patient and do not expect your event to be online straight away.
- There is no need to diary deletions after each event as this is automatic.
- If your event is unsuccessful in being submitted to Dates-That-Clash.
